THIS Varnish is especially adapted for use on light colored woods.

Although VERY LIGHT in color, it is sold at a reasonably low price, and will be found a very satisfactory article when used on interior work.

For Bath Rooms, Kitchens, Hospitals and all places where soap or alkali are used, it will be found especially superior to ordinary varnishes. It resists the action of the elements longer than ordinary makes of varnish, and is therefore recommended for interior varnishing.

Warner is a young man twenty-five years of age. He was arrested last fall on the charge of stealing a bicycle valued at \$125 from Albert A. Hall, a bicycle dealer, 180 Goffe street, who received notice yesterday from Superintendent Olmstead of the retreat of Warner's escape from a second story window by means of a rope made of pieces of his bedding.

Warner succeeded in convincing the jury that he was insane, though the local police believe he was shamming.

The Patent Sustained.

Washington, March 4.—The patent of the National Cash Register company was sustained in the supreme court of the United States to-day by Justice Brown. The judgment of the United States court for Massachusetts that the patent of the Boston Cash Indicator company was not an infringement was reversed.

## FAIR HAVEN.

Representative Grannis—Mr. Fonda's Claims—Petitions for Damages—Dr. and Mrs. Adams—Captain Tuttle—The Letter Carriers.

Representative Grannis was expecting to resume his trips to Hartford this week, but was not as well yesterday. He has been ill several days with the grip.

John Quinn, Bert Bradley and Albert Rose have returned from a ducking trip to Branford, but got only a few birds. Mr. Bradley is fully prepared for ducking expeditions, having made twenty-six decoys this winter.

On Sunday eight persons were received into the Grand avenue Congregational church, five on profession and three by letter.

Several North Branford farmers are carting ash lumber to the keg shop. The supply from that territory is not as great as formerly.

Ira E. Fonda will make another plea before the legislative committee on claims this week in behalf of his petition for a pension for disability. His case is being looked out for by Colonel S. J. Fox, who was in the adjutant general's office when Fonda was disabled at the Atlantic camp ground.

Before the same committee on Friday will be heard the petitions of William H. H. Hewitt for \$1,020.87, Osmar and Annie Talmadge for \$1,033.75, Michael McCabe for \$881.45, Jeremiah Cullen for \$1,734, and of Josephine Werle for \$393.25, for compensation for damages to property through the closing of Ferry path by the Consolidated road.

Captain Ezekiah Tuttle writes from York river that in his twenty-eight years' stay in Virginia the recent cold weather was the most severe experienced there in all that period. Last week the ice was strong enough to admit of people walking out to the oyster vessel anchored in York river.

If the new arrangement of having the letter carriers start from and report to the Fair Haven post office goes into effect seven of the men will have their rights changed, the four carriers of the Eleventh and Twelfth wards, and the two in the Thirteenth and Fourteenth wards, and the carrier over to East Rock territory. The proposed change would prove of benefit to the service. As the post office department revenues are deficient, the change is not likely to take place for some months to come.

The Brothers Berry bell ringers and instrumentalists of Brooklyn, N. Y., will give an entertainment at the Second Congregational church Thursday evening, March 14.

THE COFFEY LICENSE AFFAIR.

A Hearing Before the Commissioners Before the Commission for the Law and Order League Heard.

In the common pleas court room yesterday the hearing on the application of Thomas J. Coffey for a license was begun before the county commissioners, who had as their legal adviser Judge Stoddard. Attorney E. P. Arvine and Attorney Talcott H. Russell appeared for the Law and Order League and Attorney Kleiner for Coffey. Cunningham, the Law and Order detective, was the first witness and started to give evidence on Coffey's character, but was ruled out, as there was nothing but general allegations in the specifications. Mr. Kleiner objected to letting in evidence since the time that Coffey might have got his license had there been no objections. Judge Stoddard decided to admit any evidence since January 1.

Marcus N. Wishart was then called to the stand and testified to having seen small children come into the place and get pails of beer, and had also seen young men buy liquor there who did not look to be over seventeen or eighteen years old.

Officer "Ben" Jackson was also called and told of the reputation which Coffey's place has had for three years. Attorney Russell tried to draw out more from this evidence, but Judge Stoddard would not admit it as the old case had been tried in the city court and held.

Ex-Councilman Forsyth was then called to the stand and spoke of Coffey's reputation of doing Sunday business. Other witnesses called by the Law and Order League were Captain O'Keefe of the Grand avenue precinct and Sergeant Driscoll, Peter Hansen and Robert McCully, a detective.

The commissioners then adjourned, and the hearing will go over until 10 a. m. Thursday.

Shelton's Annual Meeting.

Shelton, March 4.—The annual borough meeting was convened in the town hall at 2 o'clock this afternoon. Warden Bartholomew called the meeting to order and appointed Andrew Dean box tender and Charles Kimberly checker.

On motion of William Holmes the report of the borough officials, as printed, was accepted.

On motion of Judge Tomlinson a tax of 8 mills on the forthcoming grand list of the borough, payable and to be collected as last year, was voted.

On motion of Mr. Holmes the matter of making a contract with the Derby Gas company for a period not to exceed five years, and at a price not to exceed the present price, for the lighting of the streets, was referred to the borough board with power to act.

Charles S. Sprague was by a unanimous vote admitted to the freedom of the borough on proper qualifications. On motion of N. L. Biever an arc light was ordered to be placed on the corner of Myrtle street and Huntington avenue.

No further business appearing the meeting was adjourned.

"My son, I understand you went behind the scenes at the theater last night." "Yes, father; I wanted to see the play." The theater hats before the scenes we so big I had to do it."—Harper's Bazar.
